**Depart from Jayapura by Garuda 653 / 09:25 – 13:45**

## DAY 7 : UBUD TOUR

Breakfast at hotel, our driver and guide will meet you then transfer to the Bangkiang Sidem, enjoy a leisurely walk through terrace rice field then overlooking the scenic Campuhan Gorge. Your walk will end near Campuhan then visit Neka Art Museum, This museum has achieved high standards as a museum of international standing. By July of 1997 it covered an area of 9150 square metres, with 2580 square meters of floor space. The buildings are well maintained and the artworks are displayed and organized historically. Considered one of the finest private collections of art in Southeast Asia. Lunch at local restaurant. Then Return to hotel for accommodation. (B, L)

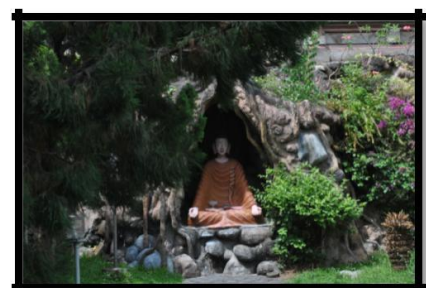

## DAY 8 : UBUD – BAYUNG GEDE – KINTAMANI– LOVINA

Breakfast at hotel. Then drive to Bayung Gede Village to visit baby's placentas grave where the baby's placentas are hanging on the trees' branches. The unique of this grave is the baby's placentas are not buried but it is hung. The placentas are put inside of the coconut shell then hang in the Bungkak trees. Even though the placentas are only be hung, visitors will not smell the placenta or the blood scent. The scent of the coconut shell covers the fishy smell. After visit the hanging placenta, you will continue drive to Kintamani and have lunch in local restaurant while enjoy the Batur Volcano has been erupted several times. The history stated that since 1804 to 2000, Batur has exploded 26 times. The biggest explosion was on August 2nd until September 21st, 1926. That eruption cause the lava buried Batur Village and Ulun Danu Temple. Continue transfer to Lovina for accommodation at your hotel. (B,L).

## DAY 9 : LOVINA DOLPHIN –Brahma Vihara Arama - BANJAR HOT SPRING

Early morning you will do dolphin watching excursion with "jukung" - a traditional boat around Lovina Beach. Please note that this is nature tour, we cannot guarantee whether clients will see dolphin. Then boating back to hotel for breakfast. On the way pass through the district of Banjar and visit the Buddhist monastery of Brahma-Asram. Brahma Wihara Arama is the biggest and the most special Buddhist Monastery in Bali completed in 1970. There are

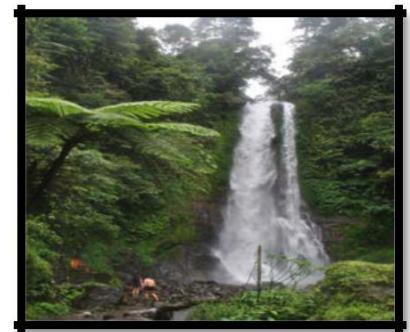

# FLORESSA BALI TOURS

many features dealing with Buddhism in this monastery complex like Uruvella Forest, Body tree, Buddhist Stupa, and others and there are also some special features given by the government of Thailand and The Great Dalai Lama from Tibet. This place is located high up in the hill. People may see the beautiful view of the ocean, rice field and mountain. It is so nice and peaceful around this area. Continue to visit Banjar Hot spring is located in the beautiful and peaceful valley consisting of some hot water fountains and a lazy pool to release tension and healing skin problem. The hot spring is coming out just in the middle of valley surrounded by rainforest of the hill side. The sulphuric water is of volcanic origin and has an agreeable warm temperature of 37 degrees Celcius. Drive back to your hotel.(B,L)

## DAY 10: LOVINA – GIT-GIT WATERFALL – MUNDUK

Breakfast at hotel. Continue to visit Gitgit waterfall Gitgit is the most spectacular waterfall on the island. The fresh clear mountain water volumes remains big flowing along the rainforest river side. The big water falls unbroken from 45 meter high rocky cliff. The 500 meters path to this waterfall is absolutely nice walk with beautiful view of spices trees, coffee plantation, rice field and rain forest. People can swim down the natural pool under the fall. Arrive at Munduk check into your Hotel. (B,L)

## DAY 11 : MUNDUK TREKKING

Breakfast at hotel. Trekking at Munduk Village are famous for beautiful scenery and a variety of fascinating walks and treks. Munduk is surrounded by tropical rainforest, rice terraces and farms producing traditional commodities. You will go down to the twin lake Buyan and Tamblingan to trek few hours in this fresh tropical rain forest. This trekking program will allow you to go deep in the nature of Bali and listen the sound of the tropical forest around. You can also viewing the green mountain summit around the lake and also the birds like eagle that you will never see in the southern Bali. Return to hotel. (B,L)

## DAY 12 :MUNDUK – UMABIAN

Breakfast at hotel. This morning you will be picked up from the hotel by your guide for a full-day exploration of the Tabanan Regency of Bali. Stop at Bedugul and Ulun Danu Lake. Bedugul is the name of place located in mountain area encircled by the cold temperature and natural environment with beautiful panorama of Beratan Lake and also completed by 524 birches which are still in its original forest. Continue drive to Jatiluwih. The valleys streaming down from the western mountains into the regency are among the most fertile in Bali. Enjoy a leisurely two-hour hike through the rice terraces of Jatiluwih. Where it is derived from two words 'Jati and Luwih'. Jati means "real" and Luwih means "good" or "beautiful".- which means “supreme beauty of nature” overlooking a shimmering view of terraced rice fields, stretching in endless contours over hills and valleys. Then drive to Umabian for accommodation (B,L)

## DAY 13 : UMABIAN COOKING CLASS – SANUR

# FLORESSA BALI TOURS

Breakfast at Hotel. In the afternoon starting for Cooking Class program at Hotel then enjoy your creation for Lunch. After cooking class program, continue drive to sanur then check in to your hotel. (B, L)
