3 Broad questions for Industry on Slido

- What is the #1 pain point that you are struggling with right now? (First priority for your organisations to tackle, as we acknowledge that post-pandemic recovery is uneven across regions and sectors.)
- What is everyone doing to tackle this particular problem?
- What's trending right now? (Topics of interest, what makes you excited for the future?)
  - o Format: 5 minutes on each question for discussion at the table and submitting on slido
  - o Hosts walk around the room with a microphone, asking people to elaborate on their answers.
