Explanation: Transfer Schedule

. As per the schedule, we have combined the pick-up for Riverside Majestic delegates at Grand Margherita Hotel for the reasons below:

1. **Grand Margherita Hotel**, is located on a one-way street and is on the route heading to BCCK. This will help to save time and avoid traffic-jam for delegates staying at Riverside Majestic to walk across and take the coach transfer
2. If we were to pick up delegates at Riverside Majestic Hotel, the coach will have to turn a big round, which traffic will usually "bottle-neck" at the junction leading to Riverside Majestic Hotel and the road direction is a one-way street heading to town area (opposite direction)

For the return trip from BCCK, the drop-off point is at Riverside Majestic Hotel, as it is in the same route direction heading to town and it is faster for delegates to walk across to Grand Margherita Hotel, rather than be stuck in traffic, as both hotels are directly opposite each other
