

Thank you all for attending this PATA presentation. This is a worksheet that you should have available DURING the presentation, and will be useful as a resource AFTER the presentation.

Presentation Worksheet
Questions to Post on the Platform
(near the end of presentation)

The Sustainable Development Goals (guiding the world between 2015 – 2030). We have 9 years remaining!

Respond on the **Platform Poll**

1. Which SDG speaks deeply to your values and your heart?
2. Which Social SDG connects most easily to Tourism?
3. Which SDG are you most able to incorporate into your life?

Respond on the **Platform Chat**

Write 1 - 2 sentences on... A COMMITMENT on what you can do to take further ACTION on the SDGs

You will take this forward into the Sigmund Platform after this workshop

What SDG decision can you make today, that when you look back in 2030, you will be proud of your decision?

- Consider a past change you have made, or action taken, that positively affected the environment?
What SDG do you think a past action relates to?
